INDEPENDENT AUDITOR'S REPORT

To the Honorable Members of the
East Providence Waterfront Special
Development District Commission

We have audited the accompanying balance sheet of the East Providence Waterfront Special Development District Commission (the Commission) as of June 30, 2012 and the related statements of revenues, expenses and changes in fund balance and cash flows for the year then ended. These financial statements are the responsibility of the East Providence Waterfront Special Development District Commission's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the East Providence Waterfront Special Development District Commission as of June 30, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 9, 2013 on our consideration of the East Providence Waterfront Special Development District Commission's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

**EAST PROVIDENCE WATERFRONT SPECIAL
DEVELOPMENT DISTRICT COMMISSION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the East Providence Waterfront Special Development Commission, (an Independent Rhode Island entity), have been prepared in conformity with generally accepted accounting principles (GAAP). The entities significant accounting policies are described below.

Reporting Entity

The East Providence Waterfront Special Development District Commission was created by Rhode Island State Law Chapter 345 enacted on 7/17/2003. The Commission was created to oversee, plan, implement and administer the development of the areas within the District as outline in the charter established by the State of Rhode Island and the City of East Providence. The Commission functions and conducts its business and activities in a manner consistent with plans approved for the district by the City and the Commission, and as appropriate or necessary, by the Rhode Island Economic Development Corporation.

The Commission is made up of nineteen members as follows: five members appointed by the City Council with a 4 year term; five members appointed by the Governor, one with an expertise in the following areas: architecture, planning, labor, finance, and commercial real estate for a 4 year term; the Mayor and Governor jointly appoint one member who acts as chairperson for a 4 year term; there is eight ex officio, non-voting members as follows: the City Manager, the City Planning Director, the Publics Works Director, the Executive Director of the RI Economic Development Corp., the Director of the Department of Transportation, the Director of the Department of Environmental Management or an associate director designated by the director.

BASIS OF ACCOUNTING

Measurement Focus

The Commission's financial statements are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expense, gains, losses, assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

Cash Equivalents

For the purpose of the Statement of Net Assets, the Commission considers all highly liquid investments with a maturity date of three months or less when purchased to be cash equivalents.

Revenues and Expenses

Revenues for the Commission are recorded when the application fees are earned. The Grant revenue from the RI Economic Development Corporation is recognized when expenses relating to grant income are incurred. Expenses for the Commission are recorded when the related liability is incurred.

**EAST PROVIDENCE WATERFRONT SPECIAL
DEVELOPMENT DISTRICT COMMISSION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012**

NOTE 2 - CASH DEPOSITS

Deposits are in various financial institutions and are carried at cost. The carrying amount of deposits is separately displayed on the balance sheet as "Cash and Cash Equivalents". A summary of bank balances and carrying amounts is as follows:

	<u>CARRYING AMOUNT</u>	<u>BANK BALANCE</u>
Insured (Federal depository insurance funds)	\$ 82,143	\$ 82,143
Uninsured or un-collateralized	<u>-0-</u>	<u>-0-</u>
TOTAL DEPOSITS	<u>\$ 82,143</u>	<u>\$ 82,143</u>

Under Rhode Island general law, depository institutions holding deposits of the State, its agencies or governmental subdivisions of the State, shall at a minimum, insure or pledge eligible collateral equal to one hundred percent (100%) of the deposits which are time deposits with maturities greater than sixty (60) days. Any of these institutions which do not meet minimum capital standards prescribed by federal regulators shall insure or pledge eligible collateral equal to one hundred percent (100%) of the deposits, regardless of maturity.

Custodial Credit Risk

Deposits: This is the risk that, in the event of failure of a depository financial institution, the Commission will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. As of June 30, 2012, \$-0- of the Commission's balance of \$82,143 was uninsured and uncollateralized.

NOTE 3 - DISCLOSURE OF SIGNIFICANT COMMITMENTS & CONTINGENCIES

In the ordinary course of business, the Commission becomes involved in various commitments and contingencies. Management does not expect any of these to result in a material change to the financial position of the commission.

The Commission participates in a number of federally assisted programs. Management believes that the amounts, if any, of expenditures, which may be disallowed, would not be material to the financial position of the Commission.

NOTE 4 - RELATED PARTIES

The Commission reviews its records on an annual basis to determine if any related party transactions exist that would represent a conflict of interest with parties related to its officers and department heads. No such transactions were noted in the fiscal year ended June 30, 2012.

NOTE 5 - SUBSEQUENT EVENTS

On July 9, 2012 the Commission disbursed funds in the amount of \$73,000 as part of the Small Business Administration loan program. The funds were received in late June 2012 and included in the fiscal year 2012 balances. Management has evaluated subsequent events through June 9, 2013, the date the financial statements were available to be issued.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Honorable Members of the
East Providence Waterfront Special
Development District Commission

We have audited the financial statements of East Providence Waterfront Special Development District Commission (Commission) as of and for the year ended June 30, 2012, and have issued our report thereon dated June 9, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Commission's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Commission's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Commission's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Commission's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts.

However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, the Commission, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Handwritten signature in cursive script that reads "Baxter Dansereau & Associates, LLP".
